HERGÉT® RETRO-FASHION GUITAR COUTURE

Martin Ritter, renowned for his fashionable Gig Bag creations, has launched his new 2016 HÉRGÉTpremier™ top-of-the-range Gig Bag range. The HÉRGÉTpremier™ range is an exciting top-of-the-range collection of stringed instrument bags that offer a stunning fusion of retro-fashion design, functionality, top quality instrument protection and versatility.

Benefiting from a new, exciting retro-fashion look, incorporating leatherette applications with professional backpack system and waist strap, the range offers a detachable MP3/cell phone pouch, reflective safety strips and bindings, all round super-jumbo piping, along with ample storage space. Other features are an anti-wear base protector panel with added diamond bumpers, polyester bridge and headstock protectors, polyester end-pin protection, large neck positioned pedal pouch, large A4 music pouch, and additional front accessory pocket with a high density padded lap-top pouch.

Made from luggage grade 1680D Polyester, the HÉRGÉT range is offered in Black and Olive Green, and features 40mm ultra thick padding and soft non-scratch lining.

The HÉRGÉT range is available for classical guitar, dreadnought guitar, electric guitar, bass guitar and a universal fit for banjo.

Exclusively for the export market additional ranges HergetVital™, HergetChic™, HergetAcademy™ and HergetNoble™ in a variety of designs, feature sets, price points and colors have been added to fit all musicians' needs and budgets.
